Once there was a Frenchman who was on holiday in England on a walking tour. He had walked many miles and was greatly enjoying his holiday. He could not speak any English. One day he was out walking and it started raining very hard. Quickly he hurried to the nearest village and went into an inn. It was lunch time and he decided he would have his lunch there, while waiting for the shower to understand what he should eat.

The Frenchman wanted to have some mushrooms. But the inn-keeper could not understand what he wanted.

At last he took a piece of paper and drew a mushroom on it, and showed it to the inn keeper. Immediately the inn-keeper nodded his head and went away. The Frenchman waited with much pleasure for the mushroom, which he was very fond of eating. After a while the inn-keeper came smiling, carrying not a dish of mushroom but an umbrella.

11.Rearrange these jumbled details to make a correct formal letter(05 marks)

This is with regard to a great difficulty faced by the people around the hospital premises because of the irregular garbage disposal. The labourers of the municipal council don't remove the garbage regularly.	So, mosquitoes are breeding rapidly in this area. The health staff and the patients of the hospital are facing a high risk. So, please be kind enough to look into this matter and take necessary(suitable) actions to solve this problem as soon as possible.	As a result of this, the whole area has become very unpleasant and the bad smell spreads all over the town. As well, the stray dogs and crows scatter this garbage every where.	The Mayor, Municipal council, Horana.
Thank you.	The president, "Samagi" youth club, Horana.	Yours faithfully,	
<u>Complaining about the irregular garbage disposal</u>	 W.S. Silva, The president, Youth club, Horana.	12.06. 2021	Dear sir,
