Develop the computer literacy	• Describe word documents • Explain excel documents • Explain power point presentation • Describe internet and e mail	Introducing computer literacy • Preparing word documents (starting files and folders, saving, etc) • Introducing excel sheets • Preparing power point presentation (slides, colors, animations) • Introducing Internet * Sending E-mails(E mail writing, dealing with e mail)	Lectures Individual training Assignments	10	10

Evaluation Procedures

01. Continuous assessments for each and every unit.

10 Units = each 5 marks =50%

02. Assignments for each and every unit.

10 Units = each 5 marks = 50%

03. Final Examination = Theory + Practical

40% + 60%

Theory paper

- * For 03 hrs
- * 40 MCQ s covering all units each 01 mark
- * Essay type question

➤ 08 questions given with three sub question covering all the units and to select only 06 questions. Each 10 marks (3+3+4 = 10)

Border line marks

All border line marks should be raised to a round mark as far as possible.

A 75 -- 100

B 65 – 74

C 50 -- 64

S 35-- 44

R 34 below
