

ACKNOWLEDGEMENT

I would like to express my special
gratitude to our Grade I Nursing Tutor
Mrs. L.V. Nawarathna. For providing the
necessary guidance to do this care study.

Her valuable support, guidance and
constructive feedback throughout this care
study. I am deeply thankful to the patient

Mrs. M. Jayathilaka and her family
members for their kind cooperation. Also I
am deeply thankful to the healthcare team
at National Hospital Galle ward 09 for
allowing me the opportunity to observe
and participate in the care of the patient. I
would like to sincerely thank my friends.
